16	147 1448 560	1	CONVERSION KIT GWD 350/375	1 MOTOR VERSION

Since the vacuum safety valve (Part number 147 1225 520) was introduced, an old motor cover could no longer be fitted with a new chassis and vice versa. Therefore the conversion kit (Item number 16) Part number 147 1448 5x0 are introduced. The conversion kit contains all the necessary parts to rebuild the motor tops to the new design. After this modification the machine will be according to the new updated specs with safety valve and can be fitted with separately spare parts.
In other words, this modification needs only to be performed once.
Machines that are older than serial no.; 0803 067937 needs this modification to be able to fit a new part
